About School lunch

We provide approximately 1,200 meals to all Elementary school, Junior high schools and the Eno school in Etajima city from the Etajima city school lunch center.

We will make every effort to provide "Safe and Secure" and "Delicious" school lunches that support children's minds and bodies.

Thank you for your understanding and cooperation.

Please check the monthly school lunch menu and letter

Check the menu list to see what kind of food your child eat in school lunch and talk about it with your child at home.
